

SensingChange

“
We’re here to help with
the everyday challenges
of sight or hearing loss.
”

**Enjoy the world
around you.**

Sensing Change is East Anglia's leading provider of social work, rehabilitation and support to adults with sight or hearing loss.

We work with you to understand your needs and help you to live as independently as possible, offering a full range of services which include:

- Social work
- Short or long-term support
- Training in sensory awareness and British Sign Language
- Rehabilitation
- Assistive equipment
- Interpreting, translation & communication support

You can contact us directly and many of our services are free, depending on eligibility. Individuals, as well as organisations can access services from us.
